Surrounding
Surrounding

GLOBAL AREA: 1st District
- Buda side / near to the Castle and to the rampart
- A “belvedere” position with a quite high point of view on the city
- Quite green and planted, with a lot of trees
- Narrow streets
- Mainly dedicated to housing; a mix of different buildings dating from several periods, which are never higher than 4 or 5 floors, different styles and colors

PLOT SITUATION: LOGODI UTCA
- Sloped ground
- Surrounded by housing buildings and a huge park (South-West) / surrounded by the road and other buildings more distanced (North-East)
- Calm Neighbourhood
- A lot of vegetation
Logodi Utca
