Neptun code	Selected topic	Submission	Character	Mark	Comment
1 FCH96I	UHEREK / Poland	07.11.2019	8 214	4	Interesting essay. The viewpoints of the comparison are really good. The chosen example is not so, it would be better to choose a contemporary house. In that case the comparison would be more relevant and integrated.
2 EXDUH9	UHEREK / Poland	06.11.2019	8 732	3	The chosen comparison fits well. The review of the buildings are more or less OK, especially for the polish office building. But the frame, a theoretical background of the text is really missing.

6 P3KEUA	UHEREK / Poland	07.11.2019	9 281	5	Very well structured essay with good source handling. The comparison is fitted perfectly. The frame of the text and the theoretical approach also outstanding. Slight problem is only that, there are little bit few words about the exact buildings. We do not let to know the museums really deeply.

10 QT37A6	UHEREK / Poland	07.11.2019	7 511	2	The chosen comparison is fitted really good. Both of them are very interesting contemporary museums. The essay reviews the building too briefly, plus any deeper analysis or own opinion are missing. The text seems unfinished, there is no conclusion in the end of the essay.
11 XZH48X	CSOMA'S / Tanpo	07.11.2019	8 045	3	The essay reviews the Solar School project in an average way. The voluntariness as starting point and theoretical background is a good choice. The comparison could be interesting, but this amount of information is a little bit short.
12 F87QJO	GALL / Hotel	07.11.2019	13 110	5	Very theoretical essay full with clear realizations and own opinions. The explanations are made the concept of the essay very clear. The comparisons are interesting, but not fit perfectly. The sources of the pictures are really missing.

14 LBBIGO	UHEREK / Poland	07.11.2019	7 523	2	The essay reviews the office building more or less OK. But any deeper analysis or own opinion are missing. The chosen examples are not put in a theoretical context to understand why do You choose this ones. Finally, there is no conclusion in the end of the essay.
15 MCLXT8	GALL / Hotel	07.11.2019	7 514	3	The essay is a good mix of the reiviews of the different hotel buildings and the explanation of their theoretical background. The own opinions are also good, but a deep analysis is missing, especially for the Syrian projects.
16 KC2N8K	UHEREK / Poland	06.11.2019	7 613	5	Personal essay.
